Tel: 1-812-232-3676 Fax: 1-812-232-6876

2 YEAR, MIS-USE / UNCONDITIONAL PARTS WARRANTY

Indiana Scale Company / INSCALE, 2 year parts replacement warranty overrides the manufactures 1 year limited warranty. Warranty covers the replacement of all electronics included in a scale and indicator package only. If for any reason, in a 2 year period from date of shipment from our facility, the load cells, indicator or junction card becomes damaged by either manufactures defect, or by customers fault, Indiana Scale Company will replace that item at no charge (freight is to be paid by customer). Items included in warranty are the digital indicator (replaced one time), each load cell (depending on 4 cell or 6 cell base, each cell once), and junction card (replaced once). If for any reason, within the 2 year period, the parts are no longer available, INSCALE will ship replacements equal to or greater than the original in quality, our discretion. This warranty does not include the freight to end-user, any downtime costs, or cost on end-users end to replace or calibrate, only the physical part.
