

INSCALE™

Pallet Jack Floor Scale

- **LOW PROFILE**

1" deck height and 3' long ramp permits easy access for pallet jacks with no hang-ups.

- **SELF CONTAINED**

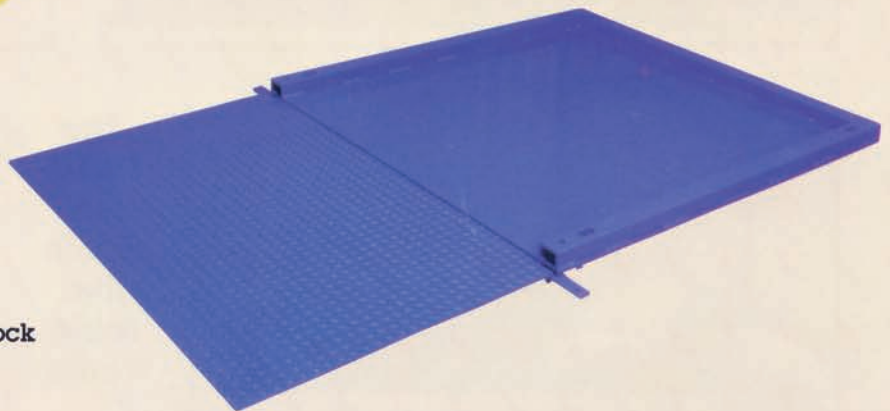

No bolt-down required. Scale and ramp lock together to maintain alignment.

- **ACCURATE**

Utilizes four NTEP approved shearbeam load cells. Meets or exceeds NIST H-44.

- **RUGGED**

100% mig welded structural steel construction. 1/2" thick deck plate. 3" wide live siderails.
